Committee lacks Minden delegate says Pergolas

The ways and means of setting the county budget came under close scrutiny at the meeting of Anson, Hindon and Minden council on Thursday when deputy reeve Ed Pergolas argued that the interests of the municipality were not being adequately represented.

Noting that the Anson, Hindon and Minden accounts for 18% of the municipality's share of the county revenue, Pergolas said that the municipality should have a representative on the Management Committee which is responsible for drawing up the budget.

Pergolas stated that he was not concerned that the committee would "do something right or wrong, it's that we are the second highest contributor."

He added, "It is in the formulation stage that you have the most questions."

He questioned whether or not a representative of a municipality that pays a much smaller share of revenue would be suffic-

iently critical of the budget. "How intense are they going to be in examining the budget?" he asked.

He commented further, "Last year they had an excellent budget committee, but I felt more secure because Lyle was on it," adding, "There has not been one term that Dysart has not been represented."

Councillor Gary Kenney disagreed that it was necessary to have a representative of the municipality on the Management Committee. "I am not overly concerned that we don't have a member on that committee, but I would hope that there would be some way that members could be apprised of the budget."

He suggested that all members of county council should be able to read the proposed budget in order to make recommendations or comments before the budget was presented at the regular

Council wants motocross tracked to be moved

The Haliburton County Snowmobile Association and the Municipality of Anson, Hindon and Minden have begun discussions to decide the future of the motocross track located near the Minden arena.

The president of the association, Leroy Lichty, attended the municipal meeting on Thursday, January 24. Lichty told council that the association will be holding three ATC races this summer and has plans to improve the track and build a tower for the track announcer and race officials, adding that the association wants to know how long the races can be staged at the present location.

Minden deputy-reeve Ed Pergolas, Chairman of the Parks Committee, told Lichty that the municipality will be requiring that section of land for a park some time in the near future.

He added that there have been complaints from residents of the neigh-

bourhood about the noise and dust during racing events in the summer. To illustrate his point he played a tape recording that had been made by a resident of North Water Street on August 4, 1984, during an ATC motocross race.

The tape recording began with an introduction by Phil Graham who said that the "unnecessary noise" and "accompanying dust" made it impossible to sit in the back yard while the races were being held. His comments were followed by several minutes of the sounds of the race.

In commenting on the recording, Lichty told council that there are plans to plant grass on the track surface to eliminate the dust but said he could see no way of reducing the noise.

He added, "apparently we are not going to stay there."

Reeve Lyle McKnight suggested that Lichty meet with Brian Sisson, the municipality's Community Services Co-ordinator, to

discuss the possibility of moving the track to the area northwest of the baseball diamond where the trees adjacent to the area would act as a noise buffer.

Lichty pointed out that the association had to build the existing track using voluntary labour and the assistance of two local contractors who had not charged for their services, adding, "I don't know if we can count on that again."

Pergolas responded, "We warned you the parkland would take precedence and that the track would be temporary."

Reeve McKnight added, "It has to be temporary because the area is residential."

Lichty then asked for a guarantee that the track would not be moved again if a second track was constructed.

McKnight responded, "I can tell you we won't be building houses there."

Brian Sisson noted that

The first baby of the year usually takes its time in arriving in Haliburton County. This year was no exception, Vanessa Margaret, daughter of Brenda and Curtis Eastmure of Stanhope Township was born January 23 at 10:35 p.m. in Haliburton Hospital and weighed in at 7lbs 3 3/3 oz. Here she is seen snuggled in the arms of her elder sister Jocelyn.

Swedish students escapes winter in Minden

A desire to escape from the cold winters of Sweden has brought 18 year old Rotary exchange student Anna Kvist to Minden. Canada was obviously not her first choice, if she was trying to get away from winter, but she has found the warm reception has more than made up for the fact she has not left winter behind.

"When I applied to be a Rotary Exchange student, I had wanted to go somewhere warm" she explained. "I was thinking of the southern United States. When I was told I was going to Canada I was disappointed initially, but quickly got over that."

Anna explains that she then hoped to be sent to a large city. Then she found out Minden was her destination.

Those initial hopes are all behind her now and Anna is not disappointed with the community which has become her temporary home for a year.

Hosted by the Rotary Club of Minden, she arrived

August 12 and has since become an active participant in the community. She attends classes at HHSS and is involved in a number of activities both in and outside of school.

Hockey has always interested the exchange student. "I enjoy watching it on television, both here and at home." She follows the fortunes of the Haliburton Midjets and Minden Juveniles, teams which include many of her classmates from HHSS.

Anna comes from the small city of Hassleholm, located in the southern section of Sweden. The city is on the northern fringe of the main agricultural area for the country. The climate is similar to what she has experienced in Canada, except that it is somewhat colder here and there is more snow.

Hassleholm is a city of 16,000 and is the world base for Astro Dinol, a company which makes cleaning agents and rust inhibitors.

Since arriving in Minden

Anna has found her schedule to be a busy one. In addition to her responsibilities at school and as a Rotary exchange student,

she has travelled to Toronto a number of times with members of the Minden Rotary Club, attended functions outside the com-

munity and taken part in local activities.

One of the lasting impressions Anna will take home with her is of the people she has met. "Everyone was so friendly to me

when I arrived," she commented. "I really felt welcome. The scenery here is also very beautiful." She said the Highlands remind her of parts of Sweden.

Anna has been the guest of two host families. Short-

ly after her arrival she moved in with Gino and

Margot Ziorjen and three months later moved to the home of Don and Elinor Hall. This past weekend she

Rotary Exchange student Anna Kvist has found the weather in Minden to be similar to that which she experiences in her hometown of Hassleholm, Sweden. The 18 year old is spending a year in this community as part of an international youth exchange sponsored by Rotary Clubs in the host community.

moved to her third host family, Dave and Pat Atkinson. By spending a three month period with each

family, the student has the time to feel a part of the home and also experience a number of different home environments.

Anna's family will be coming to Canada for a visit in June. Travelling with her parents will be her brother and sister who are both younger than Anna.

While she misses family and home, she has a special

place in her heart for the family pet. "I really miss my Golden Retriever, Buzzy," Anna commented.

Anna has found the exchange student program to be an interesting and enriching experience for her. "Before coming here I used to be shy and found it difficult to speak in public." All that has changed however,

as the responsibility of being her country's and home club's representative for a year meant a great deal of public speaking and being an unofficial ambassador.

"I am very grateful to everyone here for the warmth of the welcome I received and for helping fit into the community so quickly," she concluded. "I'm happy to be in Minden."

Passengers leap to safety as snowmobile plunges in lake

A report was received Saturday, January 26 at Minden OPP detachment of a snowmobile through the ice at the north end of Mountain Lake in Minden township. At 12:20 p.m. a snowmobile was seen to drive across the lake toward an area of open water. Just prior to reaching the open area, the machine broke through the ice and disappeared. No rider came

to the surface and persons nearby telephoned the detachment.

Constable Mike Legge and Corporal Steve Adam arrived at the scene and retraced the path of the snowmobile. They were led to the cottage of Karl Pfeiffer of Toronto, situated off Highway 35 near Mountainview Drive. He explained that two persons had been riding his wife's

1983 snowmobile when the throttle stuck in the open position. The riders managed to fall off but the snowmobile continued across the lake to its eventual demise.

No attempts to retrieve the machine will be made until the spring.

Sentenced

An Oshawa man, Marion Czochra, aged 54, was charged with attempted murder after a man was stabbed several times during a fight at a house in Monmouth townships last July 1. The victim, Larry MacDuff, aged 32, survived and is recuperating. He also resides in Oshawa.

In court in Minden on January 23, Czochra pleaded guilty to the charge of aggravated assault. He received a sentence of two years less one day in jail and was placed on probation for three years during which time he is prohibited from possessing any knives.

Noise

(from page 1)

the location being considered for the track is zoned for a trailer park, adding that he did not feel that the area would ever be used for that purpose.

While a decision on the future of the track was not made at the meeting, the president of the association agreed to meet with the Community Services Coordinator to discuss the new site that has been proposed.

Budget committee

(from page 1)

council meeting.

Kenney added, "I would like to see the budget debated at council and not just rubber stamped."

Reeve Lyle McKnight pointed out that the budget proposals of a number of organizations were given to all members at the last meeting of council including the Chamber of Commerce and the Library Board. He explained that the budget is set at a special meeting of the Management Committee on the first Sunday in March then presented to council at the regular meeting two weeks later.

He added that the budget has been debated at the council meeting but when asked if the debate resulted

in any changes he said, "No, nothing changed."

The reeve added that there are some committees which reflect apportionment.

Councillor Kenney commented further that members of county council should serve the interests of the county as a whole, rather than acting as lobbyists for their own municipalities.

Deputy reeve Ed Pergolas had the last word in the matter, suggesting that the reeves of all municipalities should be members of the budget committee.

Council generally agreed that since the committee for 1985 cannot be changed, the matter should be put to rest for the time being.

Council briefs

Items from the January 24 meeting of Anson, Hindon and Minden council.

Fees

Council passed Bylaw 85-5 establishing a new fee schedule for building

permits in the municipality.

The cost of the permits based on the estimated value of the building is as follows:

\$1-\$500 permit fee \$10;
\$501-\$10,000 permit fee \$15;

\$10,001 - \$25,000 permit fee \$25;
\$25,001 and over - permit fee \$2/\$1000 or part thereof up to \$1,000.

Renewal fees \$10;
Demolition permit \$10.

Ward system

Voters in the Municipal election in November will be asked to decide if they are in favour of establishing a ward system in the municipality.

Council approved the inclusion of the question "Are you in favour of the

ward system" on the ballots in the next election.

Public approval is mandatory under provincial legislation before a ward system can be initiated.

Council agreed to include the question on the ballots because of the cost to the municipality of a plebiscite.

Evaluation

A professional art evaluator will be retained to evaluate the Municipal Art Collection and prepare a quotation on the cost of refurbishing the collection.

Councillor Gary Kenney brought the matter to the

attention of council on behalf of the board of the Agnes Jamieson Gallery. He informed council that the services of a professional

evaluator are provided at no cost by the provincial government.

He pointed out that the collection must be evaluated before being insured and that professional advice is

needed to determine what must be done to preserve the paintings which include the largest collection of Andre Lapine paintings in Canada.

Unpaid bills

Council approved the transfer of \$13,000 in unpaid sewer and water accounts to the 1985 tax bills as unpaid taxes. The amount represents the total water and

sewage usage charges that were unpaid in 1984.

The charges will be added to taxbills of ratepayers who have not paid their 1984 water and sewage bills.

Not represented

The fact that the municipality of Anson, Hindon and Minden is not represented on the committee which will set the County of Haliburton budget for 1985 is a situation which should not be allowed to be repeated by future councils. As Anson, Hindon and Minden Deputy Reeve Ed Pergolas correctly pointed out last week, the municipality he represents at the county council table provides 18% of the funds raised locally for county purposes. As the second largest local contributor to the county coffers, Anson, Hindon and Minden should have representation on the committee which sets the budget.

The decision made by this committee must of course be approved by the council as a whole. But rarely, if ever, have the budget figures presented by the management committee been challenged. In the past few years the committee has simply tabled its report and asked for the council's endorsement at the same time. There is little time for careful scrutiny and assessment of the proposal, especially by those who have not been involved in the shaping of the budget in the first place.

Each municipality cannot expect representation on all county council committees, nor would the municipalities' reeves and deputy reeves want that extra work load. However, there are certain key committees which, by their nature, shape the overall policy for the county administration. The management committee, with its budget setting responsibilities is one such body. Since it has such an important role to play, the municipalities providing the major portion of the funding should be guaranteed representation.

Freckles in fur

Heroin treatment for terminally ill

- by John Eakins, MPP -

This is the final article in a three-part series on the medical use of heroin for terminally ill people.

Legislative Debate

The debate extended to both the House of Commons, and the Legislative Assembly of Ontario. On April 29, 1983 Walter Baker (P.C., Nepean - Carleton) introduced a Private Member's Bill in Ottawa to amend the Narcotic Control Act to allow for the therapeutic use of heroin by designated physicians to alleviate pain for the terminally ill. On June 1, 1983 Baker spoke on the second reading of the Bill. Members were still discussing the issue when the time for debate ran out, effectively killing the Bill. Jim McGrath (P.C., St. John's East) reintroduced the Bill on February 23, 1984. The House of Commons voted to have a parliamentary committee examine the therapeutic use of heroin.

In Ontario, Robert Runciman (P.C., Leeds) in his

address during the Throne Speech on May 7, 1981, advocated legislation permitting the use of heroin on prescription for terminal cancer patients. He also requested that the Ministry of Health investigate the potential of heroin as an analgesic and provide the government with guidelines for its use. In April, 1982 Mr. Runciman expressed frustration with what he perceived as a lack of interest in the issue by both the provincial and federal governments and the Canadian Cancer Society. Jim Bradley (Lib., St. Catharines) also questioned the Minister of Health (April 30, 1982) regarding the willingness of the government to petition the federal government to permit the medical use of heroin.

Conclusion

The only undisputed point about whether or not heroin should be legalized for terminally ill patients suffering intractable pain in Canada is that there is a split in the medical profession as

well as the general public on the issue. It is clear that within the medical profession there are those who feel that heroin would be helpful to the terminally ill, whereas others do not see heroin as having any unique advantages over drugs currently in use.

Some identify the main concern as whether or not heroin can be useful in the treatment of intractable pain. If it can be useful in treatment, then issues such as alternatives, administration of the drug, and potential misuse because of availability come into question. Others claim that administrative concerns are so overwhelming that available alternatives to heroin should continue to be used.

Those in favour of legalizing heroin for medical purposes argue that even if in a very small percentage of cases heroin is more effective than other analgesics, doctors should have the right to prescribe it. It is also argued that individual desires would not be overridden. A patient would have

the option not to be given heroin. Although heroin is addictive, and widespread distribution could make it more available for illicit purposes, some contend that these legitimate concerns should be addressed without blocking the use of heroin as an analgesic. They do not dispute that maximum safeguards need to be applied to prevent unlawful access or improper use of the drug.

My view? During discussion in the Legislature on October 18, 1984, I added my voice in support of its use. It was moved and seconded by my colleagues Vince Kerrio M.P.P. (Niagara Falls) and Robert Nixon M.P.P. (Brant - Oxford - Norfolk) "That this House urges the Government of Canada to amend the Narcotic Control Act to allow the therapeutic use of heroin by physicians to alleviate pain for the terminally ill." The resolution was carried unanimously by the Members of all three Parties who were present in the Legislature.

Good news and bad news in county's major economic indicators for 1984

by Michael Shirley

There was both good news and bad news in the 1984 Haliburton County economy.

The construction sector underwent a healthy expansion that surpassed both national and provincial levels of growth.

However, at the same time, there was an overall increase in the amount of welfare assistance paid out by the municipalities; a signal that not everyone is sharing in the improved economic climate.

On a nation-wide basis both urban housing starts and new construction showed a slight decrease. In Ontario urban housing starts were down by about 15% but new construction was up by about 4%.

Both provincially and nationally, unemployment figures dropped between January and December of 1984.

Closer to home, the construction industry showed an overall improvement. In some cases this was a continuation of a trend, in other cases it was a dramatic reversal of a previous slump.

An examination of statistics prepared by the Bylaw Enforcement Officers in four municipalities (Anson, Hindon and Minden, Dysart et al, Lutterworth and Stanhope), show that in each case, the value of building permits issued during the year increased over 1983.

It should be pointed out that these values are pre-construction estimates and are usually conservative cost estimates. However the figures are valid for comparison purposes.

(Inflation factors should also be taken into account when comparing the most recent figures with statistics from previous years. The average rate of inflation since the beginning of the decade has been about 7%, but in terms of the building trade there has been little increase in overall construction costs. The cost of wood products has fluctuated in recent years but after showing a significant increase in the late 70's costs have increased very little since 1979. The cost of other building materials has gone up but again there has been very little overall increase since 1979.)

Welfare and inflation

Inflation has affected welfare assistance programs. Assistance payments have increased to keep up with the rate of inflation. For instance, this year, assistance payments have increased by 5% over 1984.

The provincial government subsidizes 80% of the general welfare assistance and 50% of the supplementary payments.

The total value of construction includes the estimates of all new building construction as well as additions and renovations to existing structures.

NOTE: The number of building permits listed for the Municipality of Dysart et al refers only to the total

number of new cottages and residences and is included only for the purpose of comparison. In 1984 the total number of building permits issued in the municipality was 287 for a total value of \$6,493,280.

Dysart leads

The Municipality of Dysart et al led the way in construction in 1984.

The million dollar office complex at G.W. Martin Lumber Limited in Harcourt and the \$700,000 expansion being undertaken at the PineStone Inn and Country Club boosted the value of construction over the six million dollar mark for the first time in the history of the municipality.

Construction estimates have increased steadily since the beginning of the decade. 1980 showed a drop over the previous year when a large subdivision was created at Miskwabi Lake.

Unlike the other townships studied, Dysart et al did not show a drop in construction in 1981 which was the worst year of the recent recession.

Dysart welfare assistance payments have also increased steadily since 1980. Payments have doubled in the past five years with the largest increase taking place last year when the number of recipients increased by 13%.

Apartments help

In the municipality of Anson, Hindon and Minden, the construction of the Staunworth Court Apartments boosted construction estimates over the 1983 level. A decade ago the year end figures compiled in December 1974 showed that 172 building permits were issued for a total value of \$1,185,390. The annual totals rose gradually until 1979, dropped for two years in a row, then began the upward trend again.

In 1984, 18 new residences were constructed at a total value of \$846,000. The number of new housing starts was slightly less than the average of the past six years.

The number of cottages constructed in 1984 was also slightly less than the six year average. Sixteen cottages were built at a total estimated value of \$595,190.

Only one new commercial establishment was constructed last year, a continuation of a trend that has seen business construction decline dramatically since 1979. That year 27 commercial buildings were constructed but since then a total of only 24 business related structures have been built.

However, work has been carried out on existing businesses. Last year 17 permits were issued for commercial renovations and additions totalling \$165,450.

Welfare assistance payments also increased slightly

in 1984. In the Municipality of Anson, Hindon and Minden the total monthly payments are usually highest in December or January. In December 1979 assistance payments were \$4,206. In January 1984 payments totalled \$7,811, a reflection of the overall trend that saw total yearly payments nearly double in six years.

The biggest increase took place between 1981 and 1982 when payments jumped about \$20,000 to an all-time high of \$53,475.

Stanhope Township

There was a boom in construction in Stanhope Township in 1980. Building starts tripled from the previous year but the boom was shortlived.

In 1981 the value of building permits dropped by 43% and continued a steady decline until last year when the trend was reversed and estimates jumped to \$926,700.

Of the municipalities studied, the Township of Stanhope showed the largest yearly increase in welfare assistance payments. Since 1979 welfare payments have risen from \$15,000 to \$71,192, a 475% increase.

Over that six year period more people have applied for welfare during the month of March than at any other time of the year. In March 1979, 34 people received assistance while in March 1984 the number of recipients increased to 72.

The largest increase took place between 1982 and 1983 when the number of recipients increased by 27% and total payments showed a 69% increase.

Lutterworth

The most significant turnaround in both construction activity and welfare assistance took place in the Township of Lutterworth last year. The value of building permits issued declined steadily between 1980 and 1983 then soared to a high of \$933,100 in 1984. While the number of building permits did not show much of an increase the value of the construction nearly doubled.

One factor that probably had an effect on construction activity was the approval of the township's Comprehensive Zoning Bylaw by the Ontario Municipal Board in July, 1984.

Objections to the bylaw by the Ministry of Natural Resources had delayed the OMB hearing for several years which in turn delayed approval of zoning changes that were necessary before some construction projects could begin.

Construction of new cottages and residences accounted for about half of the value of building permits issued while renovations and additions to homes and cottages made up the remainder.

According to Doug Hirstwood, Lutterworth's Bylaw Enforcement Officer, many of the renovations being carried out are in the \$10,000 - \$15,000 range. He noted that many summer residents are winterizing their cottages and spending weekends by the lake throughout the winter months. As Hirstwood explained it makes much more sense to make use of a cottage year round rather than just for a few weeks in the summer.

For the second year in a row welfare assistance payments declined in the Township of Lutterworth. Payments increased by nearly 500% between 1979 and 1982 then dropped significantly in 1983.

The 1984 decrease was not as dramatic but, of the areas studied, Lutterworth was the only township that showed a drop in assistance payments.

While this study is an informal one and does not attempt to give a definitive picture of the recent economic climate, the findings do offer an insight into one section of the local economy. Many people in Haliburton County are involved in the construction industry including carpenters, electricians, plumbers, blocklayers, labourers and helpers, road builders, painters, Bell telephone and Ontario Hydro employees. Wages and profits earned by these tradespeople generally find their way into the local economy before leaving the area. In addition, local businesses that supply materials also benefit.

The townships also gain through the sale of permits and most importantly because buildings that are constructed expand the tax base, adding funds to the municipal coffers.

As for the future, financial experts don't always agree, but there seems to be a general consensus that the recession is all but over for the time being and there will be an expansion of the economy nationwide in 1985.

These certainly are hopeful signs for the local economy in the fact that this area surpassed the national average in new construction starts. If predictions that the worst of the recession has past, 1985 could be a major growth year for the county's economy.

Fraudulent land deals include property on Maple Lake

The tentacles of fraudulent land dealings have reached into Haliburton County. However, the provincial Ministry of Consumer and Commercial Relations have taken steps to curtail the activity.

In a recent press release, the ministry announced that it has laid charges, and received a conviction in absentia, of a Toronto man who swindled purchasers of vacation property in Muskoka, the Kawarths

and the Haliburton Highlands. According to the ministry, the value of the properties involved in all the illegal transactions is close to one million dollars.

The man who orchestrated the swindles, 28 year old Tomas Reinis, formerly of Downsview, was sentenced to three years and six months in jail January 11 for his part in the fraud. Two other employees of his four land holding companies appeared in court and were sentenced to nine months in jail after they pled guilty to conspiracy to defraud the public.

While most of the company's activities have

been concentrated in the Muskoka and Kawartha area, at least one Highlands property, located in Stanhope Township, was involved in the dealings.

According to ministry spokesman, Greg Snow, a cottage property fronting on Maple Lake was involved in the dealings. The property in question included a three bedroom cottage and a supposed woodlot on the opposite side of the right of way.

Snow explained that the companies operated by Reinis would advertise in the Toronto papers offering vacation property for sale. When a customer responded to the ad, a representative of the company would place an offer to purchase on a piece of property and show it to prospective clients.

According to the ministry, in many instances, the clients were shown property which was not the ones described in the deed. Inevitably, the property which was shown to the client would be of far superior quality to that which was being offered for sale. Snow explained, "When you take someone

who has spent most of their life in the city and drive them out into rural Ontario, they don't know one concession from another. These people were totally out of their element."

In addition to misrepresenting the property, the agents placed a great deal of pressure on the clients to purchase the property as quickly as possible and even suggested they use a company lawyer to speed the transaction.

When the Maple Lake property was first viewed by the prospective clients, the selling agent told the purchasers that the land could be severed and that a bush lot on the other side of the right of way was included in the purchase. The buyers were induced to place a \$5,000 down payment on the purchase.

In the meantime, the same company had sold the same lot to another purchaser. The first buyer had a great deal of difficulty in getting his deposit refunded. After a number of cheques were issued by the company, the purchaser did receive the money he had paid as a down payment.

While this first transaction was in progress, the Reinis company entered into an agreement to sell the same property to another individual. That deal was completed, but only then did the purchaser learn that no approval had been granted for a severance and that the bushlot was not part of the purchase.

According to Snow, this individual was luckier than some of the others who dealt with the Reinis companies. He pointed out that while the purchaser did not get everything he thought he was to receive, the property he did purchase is a reasonable vacation lot with a three bedroom cottage on it. He pointed out that this individual, although a victim of a fraud, is much better off than the people who purchased property elsewhere in the province which is swamp, or otherwise totally unuseable.

Snow noted that the local real estate agents were not involved in the fraudulent transactions. He suggested that the best way for those who are unfamiliar with an area to ensure they are not being cheated, is to deal with a local real estate agent, someone who has an interest in ensuring your satisfaction.

Snow also suggested that purchasers not allow themselves to be rushed into making a decision and that they should speak with owners of property near the one in question, the township's municipal clerk, and others in the area before making a final decision on a purchase.

EMPLOYERS/EMPLOYEES

Contact us about our Career Access Program

This is a program that reimburses the employer for training. It pays up to 85% of the employees wages for up to one year. (Depending on the employees individual circumstances).

As well, if you are a non-profit or charitable organization, your "other costs" (materials, office supplies etc.) can be paid for under the CAREER ACCESS PROGRAM.

For more information phone 457-1316.

Benefit paper released

- by Bill Scott, MP -

On January 18, the Minister of Health and Welfare announced that a consultation paper on child and elderly benefits will be released on January 28. In doing so, he reiterated the government's commitment to showing leadership in this review by setting out the principles on which the review would be conducted. These principles are:

1. The concept of universality is the keystone of our social safety net; its integrity must not and will not be called into question.

2. The concept of a means test to determine eligibility for selective benefit programs is not appropriate. Eligibility for these programs such as the Child Tax Credit and the Guaranteed Income Supplement, will continue to be determined on the basis of taxable income.

3. Any savings which may result from program changes will not be applied to a reduction of the deficit.

Farm loans

On January 21, the Hon. John Wise announced that the Farm Credit Corporation is reducing its interest rate. The rates for new loans, as of January 21, are 12 3/4% for five-year term loans, 13 3/8% for ten-year

term loans and 13 5/8% for twenty-year terms loans. Loans under the Farm Syndicates Credit Act will now be at 12 3/4% as well.

New Office

I want to take this opportunity to thank the Corporation of the County of Victoria for the excellent service they have provided to me for several years now in the role as landlord for my constituency office. I have been well pleased with the accommodation. However, time has come for me to find a location closer to Kent Street. As I announced last week, effective February 1, my constituency office will be located at 2 King Street. My Staff and I look forward to continuing to provide the same level of service at our new location.

Mandate

In the election last September, the people of Canada gave an overwhelming mandate to the Rt. Hon. Brian Mulroney. There was no doubt that this was a mandate for change. You, the citizens of this great country, were looking for a new direction, the kind of new direction that only real change can bring about.

Some of the initiatives we have already introduced will slash government spending and encourage investment which will in turn create jobs and reduce the massive deficit. It is quite understandable that some public servants who were most closely associated with the formulation of the policies of former governments would not be expected to put our new initiatives in place in the positions they formerly held.

On January 8th, the Prime Minister, recognizing the need for revitalization at the top of the Public Service, announced the largest reorganization of Deputy Ministers and Senior Officials ever performed by a new Prime Minister with the promise of even more shifts to come late in the year. These moves are another step in giving you a real change in policies and priorities in Ottawa. Not only do we have a new political administration that is in charge, but also we have many newly appointed bureaucratic administrators as well.

On January 8, The Hon. Perrin Beatty, Minister of National Revenue, announced a change to his depart-

Snowaramas raise close to \$30,000

Almost \$30,000 was raised to help crippled

children in Ontario during two Snowaramas held in Haliburton County this past weekend.

The Rotary Clubs of Minden and Haliburton were the sponsors of separate rides held to raise money for the Easter Seal Society.

In Minden, where the ride was held in conjunction with the annual Kinsmen Winter Carnival, some 115 riders took part in the 100 km circuit. The riders carried over \$19,000 in pledges.

The ride started at the community centre, heading east and south through Gelert, following the abandoned-rail line to Black Lake in Lutterworth Township. The trail then went west to Moore Falls and north, along the Anson Mountain trail, to return to Minden. The circuit used by the Minden club was groomed by the Haliburton County Snowmobile Association.

Minden Rotary Club organizer, Steve Berry, said he was extremely pleased with the results of the Snowarama. He said he felt the winter carnival added to the interest of the drivers, as it provided an activity for them to participate in after completing the course.

The Haliburton Rotary Club once again used trails in the Haliburton Forest and Wildlife property, north of West Guilford. The ride attracted 84 participants who carried just over \$10,000 in pledges for the provincial charity.

Ride organizer, Kim Emmerson, noted that the number of riders and the amount raised was down somewhat from last year, but that it was still a worthwhile effort. He noted that the weather was perfect for snowmobiling and those who took part enjoyed the

Minden Rotarian Cal Wilson fills the gas tank of one of the participant's snowmobile during Saturday's Snowarama for Timmy. The event, sponsored by the Minden Rotary Club, raises money to assist crippled children in Ontario.

outing.

Funds raised by the two rides are used by the Easter Seal Society to assist crippled children in Ontario. Some of the money raised locally is earmarked for use at the Five Counties Children's Centre in Peterborough. The centre provides diagnostic and therapeutic services for children from this area suffering from a number of disabilities.

Vasey, Rockcliffe, Home win in week's action

Vasey's Real Estate, the Rockcliffe Foamblowers and Home Hardware earned two points each as the Minden Men's Recreational League began winding down the regular season.

On Thursday, January 24 Home Hardware got past Hall's by scoring three unanswered goals in the third period to take the game 7-5.

Jim Keetch and Dean Hewitt popped in a pair of goals apiece in the victory. Jim Keetch also added an assist. Other pointgetters were John Barkwell a goal and three assists, Jerry Poirier and Wally Stender a goal each, Carl Northey two assists and Joe Mitchell with an assist. Lawrence Loughheed led the way for Hall's with a hat-trick. Randy Anderson rounded out the scoring with two goals and a pair of assists.

Assists also went to Peter Walker, Dennis Weaver, and Mike Jackson with singles and Joe Outram with a pair.

Home Hardware wasn't quite so successful in their next game, going down to a 13-5 defeat at the hands of Vasey's.

A seven goal outburst in the final period put the game out of reach for Vasey's.

Larry Sawyer set the example for the winners scoring four goals and assisting on three others. Doug MacNabb also had a strong game scoring a hat-trick and adding a pair of assists.

Other goal scorers were Brendan Berube, two goals and three assists, Dave Brown a goal and two assists, Kim Hamilton two goals and Barry Smith a goal.

Assists went to John McAdam and Charlie Walters with a pair each and Bern Berry with a single.

Scoring for Home were

John Barkwell two goals, Jim Keetch a goal and two assists, Wally Stender a goal and an assist, John Dettman a goal and an assist, Jerry Poirier an assist and Dave Crego with one assist.

In the second game, played at the Minden Arena on Monday evening, the Rockcliffe Foamblowers defeated The Times 13-4 to maintain their stranglehold on first place.

Triple hat-tricks assured the victory for the Blowers who have yet to be defeated this season. Sid McKeighan, Dan Brohm and Jim McKelvey scored three goals each and added a pair of assists in the win.

The other pointgetters

were Dave Hartwick with a goal and four assists, Dave Pettes a goal and two assists, Dave Lee a goal and Andy Campbell an assist.

Scoring for The Times were Ken Casey, Jeff Brown, Barry Shaw and Colin Wilson. Assists went to Barry Shaw and Rick Osinchuk with singles.

Action resumes in the Minden Men's Recreational League on Thursday, January 31, when Hartwick Construction takes on Hall's at 9 p.m. On Monday, February 4 Hall's plays Rockcliffe in the first game at 7 p.m. followed by Vasey's against The Times. Admission to the games at the Minden Arena is free.

AND RESCUE	June 21, 22, 23	
YOGA	April 17 - May 22	\$30.00

Minden Juvenile goalie, Vince Duchene, hugs the post as his team mate clears the puck from the crease during an exhibition game against Fenelon Falls on Friday evening at the Minden arena. Minden won the game which is an annual feature of the Minden Kinsmen Winter Carnival.

Juveniles even score with Fenelon

The first Minden Winter Carnival 25 years ago was scheduled to coincide with the Minden Monarchs hockey game.

That tradition continued on Friday evening when the Minden Juveniles hosted the Fenelon Falls Flyers at the

Minden arena.

The two teams had met three times during the season. Fenelon had won two of the games by close margins and had been one of the few teams in the loop that could defeat Minden.

On Friday, Minden

evened the score by winning 5-3 in an exciting, fast-paced game.

Doug Schell opened the scoring on an assist from Chris Laporte half way through the first period. However, Fenelon rebounded, scoring two quick goals to take a 2-1 lead early in the second period. Jeff Howe tied the game on assists from Lenny Johnston and Shayne Yateman, then three minutes later, Boomer Stamp put Minden ahead on an assist from Scot Hamilton. Scot added a goal of his own on an assist from Barry Boice to increase the lead by two goals.

In the third period, Bernie Upton made it 5-2 after taking a pass from Shayne Yateman.

Fenelon added one more goal late in the game to make the final score 5-3 for Minden.

On Sunday Minden Juveniles opened their playoff series with a 4-0 shutout over Little Britain at the Minden arena.

Bernie Upton scored three goals in four minutes and twenty-five seconds to lead his team to their first playoff win. Assists went to Scot Hamilton and Boomer Stamp.

Doug Schell rounded out the scoring in the second period on assists from Dennis McKee and Tim Wood.

Kevin Smith played another solid game between the pipes to register the shutout.

Both teams played clean, well-disciplined hockey. Minden was assessed only three minor penalties while Little Britain served four minors.

Lougheed places 24th at Saranac Lake

by Brent Edwards

This past weekend, Steve and Val Lougheed of Gelert and their Katimavik billet, Noreen Shackleton of Inglewood, Ontario, travelled to Saranac Lake, New York for the Alpo International Dog Sled Race. It is the biggest dog sled race south of Alaska.

The Alpo International is a prestigious race with world class competition involving teams from as far away as Alaska and the Northwest Territories, all Canadian provinces and from points

across the U.S.A. The competition was held over three days.

There were three classes of competition: eight dog, six dog and an unlimited class which usually involves twelve to sixteen dogs. Steve competed in the eight dog class which had about sixty

teams.

The eight dog race is usually an eleven mile race, but because snow conditions were not as good this year as in the past, the race was only eight miles long. Steve placed nineteenth on the first day and twenty-first on the second day to finish twenty-fourth over all with a combined time only three minutes slower than the winner.

Steve was the top sledder from Ontario and made a very respectable showing considering the number and quality of teams entered. The winner of both the eight dog and unlimited classes was from Wisconsin.

This weekend the Lougheeds will be travelling to Marmora, Ontario to compete in the five dog sprint championship with hopes of similar impressive results.

Winter Carnival

It was an action packed winter carnival which the community enjoyed, Friday, Saturday and Sunday in Minden. The event featured a wide variety of activities, appealing to just about every taste. The pictures on this page capture some of the excitement of the weekend's activities including the parade, children's games organized by the Katimavik group, the ice skating carnival, baseball cap auction, wrist wrestling other events.

There was another honour awaiting Wynn Newbery Friday evening as the 1985 edition of the Winter Carnival officially got under way. Mrs. Newbery, who recently retired as county clerk-treasurer and was honoured as Highlander of the Year in 1984, had been instrumental in organising the first Minden Winter Carnival. This year's chairman, Don Nye, right, and Anson, Hindon and Minden Reeve Lyle McKnight, presented her with a number of gifts to mark her contribution to the community.

PeeWees tie Bobcaygeon 4-4

The Minden PeeWees found themselves in the middle of a seesaw battle on Sunday in Bobcaygeon against the Bobcaygeon

PeeWees.

Scoring in pairs, the two teams fought to a 4-4 tie.

Rob Ackerblade got the ball rolling in the first

minute of play on a pass from Joey Boyle.

Kent Taylor put Minden up by two before Bob-

caygeon rebounded and evened the score midway through the second period.

Jaime Dollo put Minden ahead for the second time on an unassisted goal then Rob Ackerblade added his second goal of the game on an assist from Jarret Gentle.

However, the tide of the game turned once again and Bobcaygeon knocked in two goals to tie the game at 4 all.

The penalties were also shared evenly by the teams with both Minden and their hosts serving two minor penalties each.

Army plans manoeuvres

During the weekend of February 1, 2 and 3, members of the Queen's Own Rifles of Canada will conduct an Airborne-Airmobile Winter Training exercise in Snowdon Township.

The Queen's Own Rifles (QOR) is a Reserve Infantry unit based at Moss Park Armouries in Toronto. The QOR was recently given a new operational task by the Department of National Defence.

More specifically, the QOR must organize and train an airborne company. This company is attached directly to 3 Commando, the Canadian Airborne Regiment stationed at Canadian Forces Base Petawawa. All

QOR members of the Airborne Company must undergo the same airborne training as their regular force counterparts.

The QOR will operate in the bush primarily on foot with snowshoes but will use

snowmobiles, trucks and helicopters in support roles. Permission for the use of Crown Land in the area of Miserable Lake in Snowdon Township, was granted by the Ministry of Natural Resources.

NAVIGABLE WATERS PROTECTION ACT R.S.C. 1970, Chapter N-19

The County of Haliburton, in the Province of Ontario, hereby give notice that they have under Section 8 of the said Act, deposited with the Minister of Transport, at Ottawa, and in the office of the District Registrar of the Land Registry District of the County of Haliburton, at Minden, a description of the site and plans of the bridge proposed to be constructed between Canning Lake and Kashagawigamog Lake, in Lot 19, Concession II, Township of Minden, County of Haliburton. The proposed bridge will provide a vertical clearance equal to that of the existing bridge.

And take notice that after the expiration of one month from the date of the publication of this notice the County of Haliburton will under Section 8 of the said Act apply to the Minister of Transport for approval of the said site and plans.

Written objections based on the effect of the work on marine navigation may be directed to: Director General, Aids & Waterways, Canadian Coast Guard, Department of Transport, Ottawa, Ontario, K1A 0N7.

Dated this 11th day of January, 1985.

Winter skin

(NC) — "Every winter my skin gets so dry and scaly and it itches. What can I do about it?"

Yours is a problem so many people have during Canada's long winters.

Skin becomes dry and scaly because it lacks water, not because it lacks natural oils.

During winter, skin becomes especially dry because our windows are closed and heat is turned up. This aggravates any predisposition towards dry skin.

Try to keep your rooms at a moderate-to-cool temperature. Use a humidifier. A grouping of well-watered house plants may also help put moisture back into the air.

During the winter people tend to drink less than in the summer months. Take a look at your fluid intake. Is it down?

What sort of soap are you using? Soap is a drying agent, even the superfatted, supposedly "moisturizing" facial soaps. The same is true for bath and shower gels. They, too, are soaps.

Avoid taking long, hot baths and showers that will dry your skin by washing away the protective, natural skin oils which retain moisture. There's something to be said for quick, cool showers.

You may want to use a bath oil in your bath. Alpha-Keri®, Domol®, or even inexpensive, plain baby oil can be useful. But

be careful: Bath oils make the bathtub slippery. Also, some perfumed oils may have a drying effect.

Avoid bath salts or bubble bath. They may make dry, sensitive skin itchy or red.

Do use oils, lotions, and creams on your skin. However, they cannot keep your skin soft without the use of water. It is best to apply these while your skin is still damp. Towel-dry lightly after your bath or shower, then apply oil, lotion, or cream to damp skin. This helps seal in water. Nivea® cream and Lubriderm® are easy to use in this manner. Or, you could apply bodyoil to your skin before drying off at all.

Don't forget to drink lots of water. Avoid bath powders. And if, after all this, your skin is still painfully dry, see your doctor. Sometimes "dry skin" is another skin condition entirely which should be treated medically.

Winners of the Dixie Lee trophy presented to the first flight champions of the Winter Carnival Mixed Bonspiel were, from the left, Phyllis Woodcock, Brent Colliver, Randy Colliver, and Monique Beaudry. Winners of the 'B' flight included, Gord and Carol Dawson, and Mary and Gary O'Donnell. The 'C' flight award went to Bob and Jean Colliver, Helen Burk and Bob Deremo. Winners of 'D' flight were Frank and Pauline Franzen, Peter Franzen and Ethel Muli.

These members of Minden Figure Skating Club carried major roles in Sunday's annual skating carnival. The theme this year was based on the Broadway adaption of the Wizard of Oz. Following the Yellow Brick Road are, from the left, Julie Hall as Dorothy, Abby Burk as the Cowardly Lion, Tammy Pritchard as the Scarecrow and Janna Obee as the Tinman. All members of the skating club took part in the extravaganza to the delight of parents and friends.

**CORPORATION OF THE TOWNSHIP
OF STANHOPE**

**PUBLIC
NOTICE**

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Stanhope proposes to enact a by-law to stop-up, close and convey to the abutting property owner, those parts of the original allowance for road set out and described as follows:

FIRSTLY: All and Singular that certain parcel or tract of land and premise situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Big Hawk Lake, lying in front of part of Lot 19, Concession XIV and being more particularly described as Part 2 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R 3212.

SECONDLY: All and Singular that certain parcel or tract of land and Premise situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of land designated as road allowance on Registered Plan 182 on Part Lot 19 Concession XIV and being more particularly described as Part 3 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R 3212.

A COPY OF THE PLAN OF SURVEY as noted may be viewed at the Township of Stanhope Municipal Office during normal working hours.

THE PROPOSED BY-LAW will come before the said council for consideration at its regular meeting at the Municipal Office in the Township of Stanhope on the 6th day of February, 1985 at the hour of 11:30 a.m., and at that time, the Council will hear in person or by his counsel, solicitor or agent, any person who claims that his land will be prejudicially affected and who applies to be heard.

Bryce Gilbert of Minden has a firm grip on this five pound rainbow trout that he pulled through the ice of Peach Lake on Thursday. Bryce caught the rainbow in ten feet of water at 11 o'clock in the morning, using a minnow as bait.

Nutrition questions will be answered

Nutrition - Are you eating properly according to the standards set by the Canadian Food guide? What is a nutritious, well-balanced meal? What are suggestions for planning menus for one or two? How can you get the same nutritional value from food with less calorie intake? How can you increase the calorie intake to add weight?

How can you cut costs and still buy nutritious food?

These are just some of the questions that will be answered by Rosemary Berardi, dietician from St. Joseph's Hospital in Peterborough, who is also the Administrative and

Therapeutic Dietician for the Haliburton and Minden hospitals, when she is our guest speaker at our February 15th meeting.

Our meeting will be held at Gooderham at the Glamorgan Community Centre in the form for a

dinner at 12 noon at a cost of \$5 per person. Dinner reservations are required by Friday, February 8. Don't be disappointed. Phone early for reservations.

Return bus rides are available for residents in the

Minden, Haliburton and surrounding areas at a cost of \$2.00 per person. The bus will leave Minden arena at 10:30 a.m. and from the Haliburton arena at 11:00 a.m. Please phone our office

at 457-2941 for dinner and/or bus reservations by February 8.

We hope that you were one of the 123 people who came to our January meeting at the PineStone Inn. If not, please plan to come to our February meeting. Everyone is always welcome. Have a nice day!

Society selects executive

The Minden Agricultural Society has a new president. Susan Stephens was elected to the position as the organization executive met Monday evening at the Minden municipal office.

She replaces Wayne Cox as head of the Society which sponsors the Haliburton County Fair each August. Mr. Cox had served as president for three years.

Other officers chosen at the Monday night meeting include first vice president Zetta Little, second vice president Ken Alger and secretary Joan Moore.

Members of the board of directors include Mary Cox, Jeanne Simpson, Lynn Cox, Bea Taylor, Loretta Nesbitt, Helen Johnson, Marg Miller, Dwain Wruth and Bess Cox.

THE HALIBURTON HIGHLANDS HOSPITALITY TRAINING CENTRE

A New Concept In Hospitality Training

The Haliburton Highlands Hospitality Training Centre is a program designed to serve the needs of those who:

- are between the ages of 16 - 24; or women re-entering the workforce (there are exceptions to this rule)
- want to work in the hospitality industry
- want to feel more self-confident
- would like to improve your interpersonal skills
- have difficulty finding or keeping a job

Life Skills

- resume writing, job interview techniques
- learn to express your feelings and ideas
- learn how to communicate effectively with co-workers, supervisors, family and friends
- learn to identify your strengths and improve your weaknesses

Technical Skills

- study one of four technical areas: bartending, waitering/waitressing, kitchen help and housekeeping
- learn difficult techniques while getting "hands on" experience
- learn how to handle customer complaints
- learn to work as a team

Job Placements

- experience three different placements at establishments in the hospitality industry
- practise your technical and interpersonal skills in a realistic environment
- make contacts with potential employers

All This While Earning A Training Wage!

"Deadline for applications is February 4th"

Call 286-1288 - 9 a.m. - 4 p.m.

Congratulations to the Kinsmen Club on another most enjoyable Winter Carnival which was held over the weekend. There was something for everyone and, we suspect, the Katimavik participants who organized the outdoor activities for the younger generation, had as much fun as the youngsters. Well done all of you.

The winner of the early bird draw at Our Lady of Fatima R.C. church for a weekend for two at PineStone was Fred Houghton of R.R.1, Haliburton. was held Sunday at the church.

Winners at St. Paul's Anglican card party last Thursday were most lone hands - Verna McDonald. Others - Cora Hewitt, Freda Harrison, Pat Moore and Bob Mitchell.

Don't forget the movies for children at the Library/Cultural Centre on Friday from 7:15 to 8:15 p.m. Admission is, as usual, free.

February birthdays for residents at Hyland Crest are:- Elizabeth Lee 2, Margaret Gainforth 4, Ellen Knight 6, Helena Brown 7, Ruby Lewis 11, Marjorie Shuyler 11, Christina Precor 17, Kathryn Daniel 20, and Bert Harrison on the 23rd. Belated birthday also to Mrs. Ackerblade in Extencicare in Haliburton.

Visiting with Jeanne and Milt Sears over the weekend were Muriel Ewing, Chris and Scott and Sandra and Logan Moth all of Toronto, also Carol and Reg Leaman and Karen from Keswick.

St. Paul's Anglican Church Annual Pancake Supper will be held Tuesday, February 19 from 5 - 7 p.m. Adults \$2.50, children 6-12 \$1.50 and under 6, free.

Minden Kinetite Club are holding their annual Valentine Dance at Minden Community Centre on February 9 from 8:30 to 1 a.m. Admission is \$5 per person and music is provided by DJ Tommy Williamson. A light lunch will be served and door and spot prizes will be awarded. Please note, casual wear is acceptable.

There will be ice races held at the fairgrounds the weekends of February 2 & 3 and 9 & 10. These races were scheduled for Bridgenorth and Orillia however, unsafe ice conditions on the lakes forced their cancellation, so they will take place in Minden. Admission is free.

Club 35 Monday evening card party winners this week were most lone hands - Ken Campbell, high lady - Greta

Alsop and high man was George Alsop who also took the door prize. Other winners were Edith Russell, Jean Burk and Cecil Burk.

senior league

by Bert Harrison

Dear readers, another week has gone by since we penned a line to you. So we will try once again to see what we can do.

I think most residents here had callers over the weekend. Mrs. Stutt's daughter Ruth with that cute little smile comes and has lunch with her mother, every once in a while. Mary Oliver always has callers. Doris Vaughn too. Della Curry has her son and many others, some come to visit mothers or brothers.

In the chapel service we had no music Sunday night. Our organist Ruth Thompson had an eye operation to get back her sight which was a real success.

Rev. Burgess gave a real interesting message, Jesus meeting the Samaritan woman at the well.

We have Edna Cowan back from her trip to Parry Sound, but we don't know when she might pick up and take off again.

Monday morning down at fun and fitness, Margaret Gainsforth won the throwing of the darts for all to witness.

Our sympathy we would like to say to the family and relatives of James Iles who just this morning passed away.

Monday afternoon the ladies in the craft room doing this and doing that, some knitting socks, some making quilt blocks.

We welcome Annie Cox back to Hyland Crest after many days in hospital where she could hardly get her breath and so as we write this letter we hope she'll get her strength back and soon be feeling better.

Tuesday morning we would like to thank Rev. John Smith of Haliburton Baptist Church for bringing us a very interesting message in the chapel this lovely January day. We also thank Fred Ballard, who came the music to play.

Friends in Minden were shocked and saddened to hear of the accidental death of 7 month old Jenna-Marie Bowers in Ottawa last Saturday after half a tonne of ice slid off a roof and hit the baby and her parents. Bryan and Donna-Marie Bowers were former residents of Minden where Bryan served in the local OPP detachment. The couple were treated for injuries in the incident and were released from hospital. Our sincere sympathy to the family on the loss of their little one.

Our girls try to secure interesting movies each week without fail. This week it was Salmon Running Bear Coming, The Story of the Gold Fish and the Tale of Mail.

Our sympathy we would like to convey to the family and friends of Ralph Daniels who has just passed away on the 22 January day.

Last night Fred Ballard came and played organ music which is fine. We can always count on Fred to come most anytime.

Lily Hogg had Mr. and Mrs. Jack Taylor from Barrie come to visit her last Saturday. She and her room mate Edna Cowan have callers nearly every day.

Well readers, it has been a hard winter on elderly people, wouldn't you say. So many have recently passed away.

The ladies of Ingoldsby United Church brought and served a lovely lunch on this 24th of January day. Thank you for coming we would like to say.

The bingo callers who come here Thursday night, Sid and Elsie Stamp, Paul and Ruth Travers, some of the players had poor luck and came back with an empty purse.

Friday morning we had no fun and fitness. We had a discussion instead on different subjects mostly capital punishment instead, should it be brought back, we agree it should, so many police have been shot dead.

We had a jolly sing song Friday afternoon. It was good to have Norma Barron back again to play the tunes. Grace always has some humorous numbers and knows how to entertain. We always look forward to when they come again.

Ability is the power to do something special - like speaking 7 languages or keeping your mouth shut in one!

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Some have hidden words or sayings, some do not. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun.

Q: What can travel around the world and still stay in a corner?

A: A postage stamp.

Q: What do you call a cow that eats grass?

A: A lawn mower.

Q: Where can you find the largest diamond in the world?

A: On a baseball field.

Q: Where does Friday come before Thursday?

A: In the dictionary.

Q: What do you get when a giant walks through a potato patch?

A: Mashed potatoes.

Q: Who was the most popular singer in prehistoric times?

A: Dono Saur (Dinah Shore).

Q: What do you get when you cross a vampire with a Volkswagen?

A: A creature that attacks small cars and sucks out their gas and oil.

Junior farmers 40th anniversary

The Junior Farmers' Association of Ontario will have a special celebration of its 40th Anniversary in conjunction with the Provincial Conference and Annual Meeting in March. A special invitation is being extended to former members to join in that celebration.

The Provincial Conference is being held at the Constellation Hotel in Toronto the weekend of March 22, 23 and 24. The highlight of the anniversary celebrations will be the Banquet and Dance on Saturday evening, March 23. Tickets for this event are \$17.50 each, and must be ordered by February 13. Order forms are available from local Agricultural offices and from county provincial directors.

This will be an excellent opportunity for many people to renew old Junior Farmer acquaintances and to check up on the activities of today's Junior Farmer Program.

Beef cow calf seminar

"Building Profits Into Your Cow Herd" is the theme for a Cow-Calf Seminar being held in Kingston on Saturday, March 2 for beef producers in East Central and Eastern Ontario. The same program is being held in Hanover on February 28 for producers in Western Ontario.

The Seminar is being sponsored by the Ontario Cattlemen's Association and the Associated Beef Producers of Ontario, and will be held at the 401 Flag's Inn, in Kingston, from 10:00 a.m. to 4:00 p.m.

Speakers from across Ontario will discuss quality, weaning programs, marketing, and maximizing financial returns. The high-

light of the Program should be the presentation on 'Making The Beef Cow More Efficient', with Steve Radakovich, a beef producer from Earlham, Iowa.

Pre-registration fee is \$15.00 - this includes a hot roast beef lunch. People registering at the door that day will be charged \$18.00. Pre-registration forms are available at county agricultural offices.

Events this week

Thursday, January 31: 10:00 a.m.: Farmers Information Meeting, sponsored by W. G. Thompson Ltd. Elevators, at Bethany, at Manvers Arena.

7:30 p.m.: "Pasture Management For Profit" Short Course, commences at Omeme Legion Hall, sponsored by Lindsay and Peterborough Agricultural Offices, and Kemptville College of Agricultural Technology. This course will continue for six Thursday evenings.

Friday, February 1: 10:45 a.m.: Victoria Holstein Car Tour starts at farm of John Buckley, R.R. 5, Lindsay.

Tuesday, February 5: 8:00 p.m. Haliburton County Farmers' Association Executive Meeting at the home of Casey Cox.

Wednesday, February 6: 9:00 a.m. Agricultural Credit Seminar for area bankers at Cobourg Motor Inn, sponsored by the Ministry of Agriculture & Food.

7:00 p.m.: Victoria County 4-H Club Leaders Supper and Annual Meeting, Lindsay Agricultural Office.

Thursday, February 7: 10:00 a.m.: "Farm Management For Farm Spouses" Short Course, starts at the Fenelon Township Com-

munity Centre, in Cambray. Sponsored by the Lindsay Agricultural Office and Kemptville College of Agricultural Technology. The course continues for four consecutive Thursdays.

Tuesday, February 12:

10:00 a.m.: Information Seminar for beef and dairy farmers at the Red Carpet Inn, Lindsay, sponsored by Toronto-Dominion Bank. By invitation only. Please call the bank in advance for an invitation.

Did you know?

by Bambi Gilder

Did you know ... that the Canadian Red Cross Society sponsors a 'Loan Cupboard' for people in need of a wheelchair, disposable bedpan, walker, cane, quad cane, commode, crutches and urinals?

There is a lending time limit of 3 months and a \$10 fee. If used less than 3 months, a refund of \$5 is given to the patient. If used for 3 months, no refund is given.

Patients who need items on a long term basis are encouraged to buy their own equipment. If you wish to do this, contact Eileen Morrison at 457-1437 for the address of a supplier where

items can be purchased.

It is suggested that a doctor's order be given upon request for any loans.

If you would like more information on the Loan Cupboard, please call Mrs. Morrison or the Haliburton Hospital.

Your County Information Centre is here to help people find solutions to problems and answers to questions. Please don't hesitate to call us at 457-2733 if we can be of service to you. Our office is open from 10:00 a.m. to 4:00 p.m. weekdays, and we are located in the Drag River Municipal Building in Haliburton.

CARD OF THANKS

The family of the late Marie Mercer would like to thank every one who sent flowers, cards and food into our home and for the donations to the family and the Diabetic Fund. Many thanks to our friends and neighbours, especially Mary Smith and Clara Miscio for all they have done. Also, a special thanks to Rev. Elliott and the Gordon A. Monk Funeral Home for their help in this hard time.

Harold Mercer & family

Thank you for all the good wishes for my retirement and especially to those who attended the surprise banquet and participated in the presentation. Your kindness is sincerely appreciated by Reg and myself.

Wynn (Lahay) Newbery

Special Thanks: To Prentice-Berry Ltd. and the team mechanics, **John Francis Fuels, Minden Electric, Silkolene, Dayco, NGK, (SEER)** for their continuing support. Special congratulations to David Schell for his tremendous win in the Bombardier Junior Race. Best of luck in Quebec.

Steven Stewart

I would like to thank the following parents for helping with costumes and dressing room duty on Sunday at the Skating Carnival. Marilyn Ranson, Arlene Forsyth, Toos Reid, Pat Brezina, Bonnie Mowat, Wendy Wesley, Carol Cox, Lynn Cox, Faye Maddock, Ted Reid, Brad McKnight, Ron Reid, Charlie Muli and Mr. Neville and anyone else that I missed. Plus I would like to thank Werna and June for a well done job.

Pat Balcombe

A special thank you to Mr. and Mrs. Wilson for their kind donation to our ambulance base.

From all the crew

AT REST

KLEMM

Georgina Grace

- at her home in Mississauga on Sunday, January 27, 1985. Grace Robertson, beloved wife of the late Edward Klemm and the late Arthur Shields, dear mother of James Shields, dear sister of Murray and Glen Robertson, Haliburton. Mrs. Klemm was resting at the Funeral Home of Skinner and Middlebrook Ltd., 128 Lakeshore Road East, Mississauga. Services were held in Sheridan Park Alliance Church, Mississauga on Tuesday, 11 a.m. Spring Interment Pickering Cemetery.

IN MEMORIAM

LUKE: In loving memory of a dear husband - father - grandfather and great grandfather Edward who passed away January 31, 1982 at his home in Minden.

Taking precious time to hear all our woes
Beyond the call of duty goes.
To listen and to understand -
He was the answer to our prayers.
He helped to ease our troubled minds
Without complaint or faults to find.

His profession was demanding, but he was always there
Answering the calls for help to someone in despair.

Though weary, he turned no one down.
I am sure this was a sign - that God gave him
A very special touch - because he was one of a kind.

You are not forgotten loved one
Nor will you ever be.
As long as life and memory last
We will all remember thee.

Lovingly remembered by wife Edith and family.
